Shmarya

Why not call this guy "alleged" pedophile. Do you have information that he is already a pedophile and is arrested again. I am glad that you are SO honest and brainy!

Posted by: Shimon of Jerusalem | [November 01, 2011 at 08:02 AM](#)

Excellent that generally, people are finally being charged. Best deterrent for prospective molesters. If you can, contact police about any abuse.

frum where?

this man should hang.

or get some serious help.

poor children.

and in a frum community!

I am shocked not because I don't believe these things happen but this guy or basically kid is not 100% he's literally borderline special needs I can't imagine this going far in the system

Posted by: The Real Joe | [November 01, 2011 at 08:46 AM](#)

you have to be kidng.

he is not a well person, who is borderline retarded.

have some pity, AND i assure you it is not true. most likley he was abused, and someone is turning the table

Posted by: jeff | [November 01, 2011 at 09:27 AM](#)

However you want to look at this, Shmarya is still right to post this because unfortunately, child-molesters in the orthodox community are often able to keep molesting. At least this way those of us who care about children can actually try and keep them away from this guy.

Jeff-

Even if what you say is true, does it not make sense to let the people know to keep children away from this guy on the off chance

that he is in fact an abuser? The city seems to think so.

Posted by: Gevezener chusid | [November 01, 2011 at 10:03 AM](#)

Borderline special needs or fully special needs doesn't make his behavior any more acceptable. I'm curious, though -- where's the facial hair and hat? I wonder if there will be vehement denials by the community that he's "one of them" based on the absence of these outward signs.

By the way, Shmarya, are you familiar with this site? What are your thoughts?

Posted by: Our Lady of Perpetual Tsuris | [November 01, 2011 at 10:35 AM](#)

I love these posts for two reasons.

1) One more filthy pervert off the streets

2) The molesters/molestor protectors reveal themselves, and I know whose comments to disregard entirely in future.

Anyone so invested in hurting children, or protecting those who do so, has no worth whatsoever in this world. The old saying "He who saves a life saves the World entire" goes both ways, because He who destroys a life, destroys the World by being present in it.

I see we've already hit several excuses on APC's list too. Anyone care to repost the whole thing?

then he would be treated appropriately

however he still needs to be outed since the danger to children is the same

LIST OF EXCUSES TO HELP HAREIDI APOLOGISTS

Please just refer to the number in front of the excuse you want to offer.

List created by AH-PEE-CHORUS with additions (where indicated) by Abracadabra, Rebitzman, and Mendel Mendel.

1. He's not Charedi. Shmarya photoshopped his picture.
2. He's not a REAL Charedi. He just dressed and acted like one.
3. He couldn't have done it, he once gave tseddaka.
4. He was forced to rape children (substitute the crime as needed) by secular Jews.
5. The victims weren't children but rather little actors who entrapped him.
6. He misunderstood certain parts of the Torah and thought he was doing a mitzvah.
7. He's a true tzaddik. No futher defense needed.

8. The accusers and their families are lying Anti-Semites.
9. Its loshon hara so that makes it not true.
10. Who cares what he did? Somebody was oiver the prohibition of mesira and that is what we should be concerned with.
11. If there weren't 2 adult male witnesses to the act it never happened or doesn't matter.
12. We must be 'dan lekaf zechut'...and by this I don't mean the victims or their families, chas v'sholem, OF COURSE THEY ARE NOT TO BE TRUSTED. But we must give the benefit of trust and support to the poor predator.
13. This is terrible PR for the Frum community and Klal Yisrael. This should not have been reported to the police, but rather dealt with by a reputable Beis Din which can handle the problem according to Daas Toirah. (Abra)
14. He was framed by people out to extort money from him or his family (rachmana l'tzlan). (Abra)
15. It doesn't matter what he did, if he becomes a prisoner in a Goiyish country we have to collect Pidyon Shvuyim funds to free him! (Abra)
16. He is innocent unless proven guilty. Hareidim use the principals of the USA legal system to defend themselves when it's convenient, yet at the same time reject that system, saying that only their inept Beis Din is valid. Additionally, if a Hareidi criminal takes a plea bargain, Hareidi apologists say he was never "proven" guilty and therefore consider him to be innocent. (Abra)
17. What difference does it all make; he has certainly done tshuvah. (Mendl)
18. This is just another example of that 'expletive' self-hating Jew, Shmarya. (Variation: 'Expletive'-you, Shmarya.) (Rebtz)

if as others claim he is is borderline retarded  
then this is a sad case and should be treated differently

Posted by: seymour | [November 01, 2011 at 12:21 PM](#)

Let me make this clear I never G-D forbid supported any child molesters/abusers, I was only pointing out that I have met this guy in the past including very recently and he's clearly not a fully functioning adult, I am not sure how the DA's office handles such people, and just to point out there seems to be a pattern where some abusers get big coverage while others just get a note so & so was arrested, I think once its been established that some one molested/abused a kid he needs to be locked up and minimally placed on the sex offenders list, plus there should be an effort to keep updates on how these cases are going and what the final outcome was, also some sort of policy needs to be crated of how to deal with molesters/abusers that aren't arrested b/c of statue of limitations etc.

Posted by: The Real Joe | [November 01, 2011 at 01:05 PM](#)

As mentioned previously, regardless of this person's mental status, others still need to be made aware of what he is capable. I'm not saying he should be hung for his crimes before he has his day in court but parents need to know these kinds of things.

Posted by: Captain Obvious | [November 01, 2011 at 01:14 PM](#)

He Might be Borderline retarded, but the public has to know who do keep there children away from.

Anna C. Salter is a respected psychologist. She is an expert in the field of child sexual maltreatment, and she spells it out:

"The establishment (and eventual betrayal) of affection and trust occupies a central role in the child molester's interactions with children...The grooming process often seems similar from offender to offender, largely because it takes little to discover that emotional seduction is the most effective way to manipulate children."

These men are convicted child molesters. They, too, are experts in the field of child maltreatment, and they also spell it out:

"Parents are so naive—they're worried about strangers and should be worried about their brother-in-law. They just don't realize how devious we can be. I used to abuse children in the same room with their parents and they couldn't see it or didn't seem to know it was happening."

"I was disabled and spent months grooming the parents, so they would tell their children to take me out and help me. No one thought that disabled people could be abusers."

"Parents are partly to blame if they don't tell their children about sexual matters—I used it to my advantage by teaching the child myself."

"Parents shouldn't be embarrassed to talk about things like this—it's harder to abuse or trick a child who knows what you're up to."

Posted by: Jeff | November 01, 2011 at 09:55 AM

I thought it was sarcasm. You could have just left well enough alone. I guess you had to straighten it out, so we would know that it was in fact a serious comment, sadly.

To the fake, Jeff, we don't care what his mental state is, there is no pity. Take pity on the poor abused kids. If in fact he is innocent that's a different story and will be left up to the authorities and courts to determine.

To the real Jeff, Regards

Posted by: ca | [November 01, 2011 at 01:29 PM](#)

It is so fucked up that every time predator is outed or arrested everyone always tries to make up stories for them what the hell is going on!!! why dont people write comments saying how they feel bad for the victim and hope he heals fast ect...

you yiddin are disgusting!! always looking for excuses!!!

people have to know, no matter who you are Big or small, Normal or not normal, a massive rabbo, a rosh of a shul or yishiva, that if you touch a child you will pay for it one day!!!

Posted by: WoolSilkCotton | November 01, 2011 at 07:39 AM

Oh brother! Like it really matters. As long as he is off the street. He is a Jew and it shames us all.

How childish!

When the Germans took the Jews to the gas chamber it didn't matter if they were secular or not. There should be no level of "comfort" as the the level of frumkeit for sinners.

Should read:

There should be no level of "comfort" as to the level of frumkeit for sinners.

Posted by: p | [November 01, 2011 at 01:53 PM](#)

Additional excuses:

19. He's mentally challenged so even if he is frum it doesn't count against the frumma and we have to have pity on him.

20. The passage of gay marriage statutes caused him to do it.

21. All the good he has done to help children has to be taken into account.

22. He's gay and all homosexuals are molesters.

IT IS THE FRUM WHO DON'T

THEY ALWAYS TRY TO CLAIM THAT WHEN A FRUM GUY GETS ARRESTED FOR A HORRIBLE CRIME

REMEMBER LEVI ARON, The frum were screaming if you check up on him you will see he is not a Jews

PS the frum claim the got killed in the holocaust because they where from

I was told that many times

It is not only them. Many people here are busy looking for things like a chabad connection or a haredi connection instead of rooting out any jewish crime or criminals. The FRUM/NOT FRUM are simply two sides of the same coin.

Well said! Never again!

When the anti-semites speak of "dirty Jews", Kikes, Heeb, Hymie, Sheeny etc do they distinguish between haredim, MO, seculars etc?

For some interesting reading just look at this wonderful web site, with a motto, "With Jews You Lose", of which I will quote a small sample.

<http://encyclopedia.dramatica.ch/Jews>

Jews (also known as: Kikes, Hebes, Hymies, Yids, Bankers, Financiers, Nose niggers, Gold Niggers, Oven Magnets, Oven Dodgers, Big Noses, Sheenies, Swindlers, Criminals, Firewood, Arabs in Denial, Thieves, Moes, and filthy fucking scum who need to be wiped off the Earth) are a sub-human species of extraterrestrial reptilians and adherents to one of the world's oldest religions, called "Judaism", also known as "The Worship of Money" and "Ritual Infant Sacrifice". Some famous Jews include: everyone who works on television, in movies, in radio, and in print media.

Judaism was the world's first master race theory. The Jew religion teaches that Jews are the Chosen People of God and that there is a sacred mystical quality to Jew DNA. In olden times, Jew prophets would, under the command of YHWH, frequently lead the Jews on genocidal rampages against neighboring populations, and even today leaders in the Jew state of Israel often cite Jewish religious ideals to justify their ongoing genocide of sandniggers. Judaism ironically found its mirror-image inversion in the anti-Jew Aryan racialism of the Nazis. But this is all bullshit, since there's no pure Jewish left as they all mixed with white people, niggers, niggers, arabs (they're the same as the arabs, lol), slavs. In addition, according to studies ashkenazi jews's male haplotype is mideastern while the female side european.

Despite only being 0.19% of the world's population, Jews control 99% of the world's money. (See: Rothschild, Warburg, etc.) They also control the media, the banks, LiveJournal's porn and gay communities, textbook publishers, music (especially rap), gold, and diamonds. And no, we're not fucking joking about this. If you don't believe that Jews control everything, just look up a list of Media Jews or finance Jews on Google.

...

Nu - so with people like these nipping at our heels it is comforting to see how we are attacking ourselves - The enemy from within!

On the one hand, the fact is he did get arrested, and one would assume that the police would only do that if they had a good reason to do so, but on the other hand, there have been people arrested on charges later shown to be false.

Both statements are true, and I stand by with great anticipation to see if one side will so report if he is exonerated, and if the other will condemn if he is not.

My experience here is that the former is more likely than is the latter, but absolutely promise to withhold judgement until events play out.

The goal of Jews - ALL Jews should be to see justice done, in this and every case.
