a good job catering the event. Isaac Newberger asked me how old I was, to which I replied 25. Isaac Newberger told me I looked young for my age. Isaac Newberger asked where I lived, to which I replied [REDACTED]. Isaac Newberger said he has a son who lives there. As I, [REDACTED], was finishing to urinate, Isaac Newberger, who finished before me, put his right hand on my ~~stomach~~ left shoulder and pushed me so I would be facing him. I had not yet finished zipping up and closing my pants. As Isaac was continuing to make conversation with me he did not make much eye contact, instead looking at my crotch. As we went to wash our hands, Isaac Newberger told me I should do exercises to keep my abdomen in shape. Isaac Newberger then told me to lift my shirt so he could show me what part of my body the exercises were for. I lifted the chef's jacket I was wearing and Isaac Newberger took his left hand and put it right above my wrist. Isaac Newberger told me to put my hand on top of his, I did not. Isaac Newberger proceeded to move his hand down my wrist to my inner thigh, grazing my penis and explaining that this was the area affected by the workout. Isaac Newberger then took his own hand and proceeded to show me on his own body. Afterwards we left the bathroom. This happened while the catering company I work for was catering a holiday party at Isaac Newberger's law firm. My employer told me who Isaac Newberger is, after I told my employer what happened.
