Moses Braunstein, Boro Park Hasid, Charged for Promising Penis Enlargement to Minors

Posted on 03/01/2015

The Brooklyn DA has charged Moses Braustein with trying to lure underage Boro Park boys with a promise of penis enlargement. His pending charges include, attempted luring of a child, acting in a manner injurious to a child under 17, and disseminating indecent material to a minor. He was arrested on February 25, 2015 for acts alleged to have been committed on February 12, 2015.

[Nuchem Rosenberg's blog](#) offers up some Purim spin we can expect from his defenders. He was actually using penis as a euphemism in describing methods of growing *peyos* (sidecurls) longer. Perhaps he was promising them Chazon-Ish-sized beitzim.

I find this blog/charge extraordinarily difficult to “sink my teeth into”.

The ultra charedim are so under/over protected, that I find the concept of their wanting/feeling a need to/ enlarge the organ, simply bizarre,. Do the males have any reason to think that the equally unknowledgeable females would be interested/ in having an increased organ size, have a desire for increased size?. The claim is preposterous. The younger boys have no clue. The females, also, have no clue. What a bizarre attempt to make a buck, seems rather a way to educate, so sorely sorely needed.

Not a one has been educated to have sexual pleasure, to understand the physiology of sex, . not a one. so this is bizarre, to say the least.

You are confusing one pervert with a whole culture and you are confusing a come-on prelude to abuse with sex education.

Of course this guy's actions are an abomination to decent people and Hashem.

Why does the frum community protect these degenrates ?
