Disclaimer:

The purpose of the Offender Search Web Page is to promote public safety and welfare while providing community access to selected offender information, consistent with the spirit and intent of the New Jersey Open Public Records Act (OPRA).

The New Jersey Department of Corrections updates this information on a biweekly basis to ensure that it is complete and accurate as possible. This information, however, may change quickly. In addition, it is noted that offenders on [Work Release](#), [Furlough](#), or in a [Residential Community Program](#) are visible to the public and these types of releases are not necessarily reflected in their profile. Therefore, the information on this site may not reflect the true current location, status, release date or other information regarding an offender.

It should also be noted that the records of offenders who have been paroled or released are not updated after they leave the custody of the correctional facility, therefore, no presumption should be made that any offender listed as paroled from a correctional facility remains under active

parole supervision.

Furthermore certain offenders, at the discretion of the New Jersey Department of Corrections and other law enforcement agencies, may be excluded from the web site.

The New Jersey Department of Corrections Database was last updated on January 31, 2015 . Visit restrictions change daily.
