# Miami Beach rabbi accused of molestation accepts plea deal

MIAMI BEACH, Fla. (WSVN) -- A rabbi accused of molesting a girl on Miami Beach has accepted a plea deal.

The victim's mother made her case in court. "On Apr. 16, 2015, Rabbi Karro took my daughter, touched and squeezed her buttocks, placed her on his lap, took off her glasses, touched her hair, told her how pretty she was, rubbed her thighs and kissed her up and down her neck," she told the judge.

The State looked at the case thoroughly, but said there was not enough evidence to take it to trial and convict Rabbi Steve Karro for lewd and lascivious molestation. Karro will now face a charge of misdemeanor battery and nine months of probation, against the wishes of the alleged victim's mother. "This rabbi should be ashamed," she told the judge.

An 11-year-old girl had alleged that Karro molested her at his art gallery on 41st Street in late May. Karro was arrested and charged with lewd and lascivious molestation and denied any wrongdoing.

After bonding out of jail on May 28, Karro said he did nothing wrong. "Very simple: It's love, harmony, cleansing, nothing else. There was nothing there inappropriate, nothing that I had violated anybody's right."

However, the victim's mother disagreed. "There is no cleansing, no love or harmony that could possibly result in this crime," she said.

Besides the probation, he is to stay away from minors. However, he is not required to register as a sex offender. "Steve Karro has not been required to register as a sex offender," said the child's mother. "No one from our community or any community will have the chance to protect their children," she said. "Where is the justice? Where is my daughter's testimony heard? Where is my daughter's protection?"

The child's mother and her attorney said that Karro allegedly attempted to pay money in exchange for silence. She also said the sentence will only put other children in danger. "It's not a matter of if he would do something like this again. It's a matter of when and where," she said.

Karro's attorney had words for the media after the sentence. "To be destroyed with sensational coverage when the man is innocent," said the attorney.

Misdemeanor battery and nine months probation smh. See this is the problem in this country, everyone wants only a selected race that commits atrocities against

humanity to be put in jail while Esau and his child molesters roam the earth reeking havoc on innocent CHILDREN. The state looked at the case thoroughly mi culo.

He is not a creep. he is a good man. too bad the real face of the mother and what she is doing and did in her past can't come out. she had no case. he didn't do anything wrong. look the mother up ... she got some interesting background. why do you think the judge let him go????

He is completely innocent. You morons know nothing about the Miami Beach community! He took the plea because he was bullied into it. He simply avoided the worse case scenario of jail time.

Once he serves his probation, this will all be behind him? Really? This will NEVER be behind the girl he molested. Who's to say that she is the only one? Most of these creeps have done this before. There is no way this is justice.

No justice. But this will never be behind him either. Google search will reveal all no matter where he goes. What the people in his faith decide to do with that information is up to them now.

all of you quick to judge with out knowing much on this case. do you rally think that if it was something to it they would let him get away with it????!!! HELL NO.

so stop believing every thing you see on TV

by the way that rabbi pass 2 lie detective test. not one two. I can sit here and write plenty on this case. I know plenty on it. I know a lot of things about the mother that didn't come to the light. but believe me when I tell you. she doesn't have clean hands at all. and the whole thing was a set up.

this rabbi did a lot of good things to a lot of people including this mother and her

this rabbi did a lot of good things to a lot of people including his mother and her daughter. just one thing that I saw now on TV... the hush money that they keep showing like he wanted to buy her silent. oh please ... did you ever see or heard of anyone buying silent for \$500??!! really how stupid people can be to believe it. much more to the story it didn't go on TV. trust me that if he did anything wrong to that girl he wouldn't be walking away like that.

I know him I know the mother and her daughter. and I know that they put a case on him. I know them. in fact I predicted a year ago on camera to a friend of mine that the mother will accuse the rabbi and that she will set him up. it was a set up. I know the people very well. you don't know the mother personally. I do. and I know the rabbi. he didn't do anything wrong. I know him !!!! how come nobody else came forward ??? did you ask your self? we know this rabbi for many years. never ever did anything like that happened. and I know the mother. she is not a good clean person. that's all I am going to say. but believe me they had a lot of dirt on the mother. I am not going to get into it. but I know her. and like I said. I predicted that she will set the rabbi one day a year ago. what do you have to say now??? how did I know??? I read her and I saw the way she was behaving.don't believe everything you see on TV. trust me this rabbi didn't do nothing wrong. I against any one touching children !!!!! but this is not the case. the fact that they let him walk away from it ... should tell you that it was much to the story behind that you don't know. I do know. I wish that the world will know who this woman is and that's all I can tell you. I wouldn't trust her with anything. believe me when I tell you that the court let him go because it was nothing they could find on him. but it was plenty the found on that mother. I will never justify children abuse in any way. I have a child and if anyone ever do anything to him I will not sit quite. . NEVER. but like I said this is not the case. and this is not the rabbi that got away with it.
