### Cuyahoga County JailTahl Fishman

CLEVELAND — Tahl Fishman, 35, of South Euclid, was scheduled to be sentenced today by Cuyahoga County Common Pleas Judge John D. Sutula, but the judge postponed it for further psychiatric testing.

Fishman pleaded guilty March 2 to importuning, pandering obscenity and possessing criminal tools for using the Internet to seek sex with a 10-year-old girl on Aug. 3, 2007, and sending 14 pornographic photos. He also sought sex with a 12-year-old girl on Aug. 13, 2007.

If you ask most people, they would say we're getting tougher on sex offenders. However, Ohio's truth in sentencing laws, which took effect in the late 1990's, resulted in substantially SHORTER sentences for sex offenders, including those who assault children. I worked in the system for a long time and grew increasingly frustrated by this. Men who had 2, 3, even 4 prior convictions for sexually abusing children getting 2 years!!! I wrote to 3 major Ohio newspapers, and none of them chose to write a story on it. If anyone has the means to do so, please research this and make it more public, so the slimy Bast\*(\$ in congress are forced to change the laws.

jonnyringo74, you're no huckleberry, but that was pretty funny.

We need executions for pedophiles. This is one of the scariest examples of a human being ever. Put him and those who read the PD out of their misery.

Loser.

The reason you have internet is the free porn. Not to try and hook up with little kids.

(On a side note, is Fishman his actual last name? Because he kind of looks like one, and could possibly use it as his superhero gimmick. If he really DOES want the kids to love him... Look! Down in the lake! is that a giant turtle? A bloated corpse? NO IT'S FISH MAN!).. ok, so it's been a long day, and I'm reaching here folks.. These are the jokes.
